

St. Owen's Church Building Fund

St. Owen's Church Building Appeal...

The Parish Church of St Owen in Bromham (the church in the Park) has now received planning approval for much needed improvements to make the building fit for the 21st century and to offer you the facilities you reasonably expect.

The current problems are:

- Only a portaloo
- Poor disabled access
- No meeting space or children's area
- Poor kitchen facilities

The Solution is...

Build an extension to the churchyard against the north wall of the church providing ...

- Toilets (including a disabled toilet)
- A meeting area
- Kitchen and storage facilities.

Lower the floor of the entrance to remove the need for steps.

Funding....

- **Much of the funding will come from grants, Provided we raise a substantial sum locally**

Please can you help?

Donations by cheque payable to Friends of St Owens may be sent to
Mr S Clarke, Hon Treasurer FoSO, 53 Grange Lane, Bromham MK43 8NS
FoSO is Registered Charity No1022947; please ask for a Gift Aid application
